The screenshot shows the Glasgow Golf Club website interface. At the top, there is a navigation bar with the club's logo and name, and a 'MASTER SCOREBOARD' button. Below this is a main navigation menu with links for Home, Killermont, Gailes Links, Membership, Competitions, Social Events, Photos, Clubhouse, Pro Shop, Contact, and Logout. A dropdown menu is open under 'Gailes Links', listing options such as 'Current Playing Conditions', 'Local Weather', 'Visiting Parties', 'Book winter week end tee times', 'Course Reports & Maintenance', and 'Gailes Links Website'. A red arrow points to the 'Gailes Links' menu item, and a blue arrow points to the 'Book winter week end tee times' option. The main content area features a large image of a golf course and a building. Below the image, there is a 'Members Noticeboard' section with a heading 'PROFESSIONAL'S SHOP GAILES' and a notice: 'The Professional's shop at Gailes will be closed on Mondays from 3 November 2014 until 23 February 2015.' To the right, there is a 'Course Managers Blog' section with a 'course update' entry: '5mm rain overnight and course is fine just covered in leaves. The course has been blown and bunkers raked along with some turfing work at hole 7. Oct 24, 2014 12:00:00 PM'. Below this is a 'Killermont course condition' entry: 'Course open. 5mm rain. Strong winds.'
