**RULES FOR WINTER FOURSOMES LEAGUE
2016/2017**

1. The format is sectional foursomes matches from early October until **Saturday 31st December 2016**. Members are encouraged to arrange to play ties as soon as possible. Matches can be played in any order.
2. Competitors should **only** record the score of each match played on the adjacent Draw sheet. **For example, if team A beats team B by 3&2 then it should be recorded as A +5 and B -5. A halved match should be recorded as a 0 for both teams.**
3. The **Match Secretary or Convener** will complete the points section. Two points will be awarded to the winners of each game and one point awarded to both teams when the match is halved. The section winners will be those with the highest number of points after all the matches are completed. Only in the event of two teams having the same number of points will the holes up differential is used to determine the winner.
4. Should there be joint points winners with the same holes up differential in a section then the team who won the match against the other leaders will proceed to the knock-out stages. If the match resulted in a half then a play-off between the two teams will determine the winners of this section.
5. In the event a team cannot play a tie and concede the game then their opponents will be awarded two points only. **The pair who scratch must then immediately advise the M/H Secretary or Convener.**
6. The winners of each section will qualify for the knock-out stages, which will be played during the months of January, February and March 2017 culminating in the **Final** to be played on **Sunday 19th March 2017**.
7. Strokes will be allocated on the basis of one **HALF** of the difference of the combined handicaps.
8. Disputes arising through the arranging or playing of ties should be referred to the M/H Convener **Mr H S MacFarlane**.
9. Winter Foursomes Ties will **NOT** have priority on the course and should play at the speed of the course.
