

2018 ANDREW ROME QUAICH

Entry numbers for this year's competition are very low largely because of a clash with the final day of the Open Championship at Carnoustie on the 22nd of July. There are no afternoon entrants at all. As a result we intend to change the format for this year only to a **9.00 am Shotgun** followed by the prize giving & lunch. This will allow competitors the opportunity to watch the final stages of The Open.

If there are any entrants who cannot play in the proposed format, please notify M&H as soon as possible. Entries have now closed & the draw will be posted shortly any cancelations to be made through the office .
